**PROXY STATEMENT**

**Annual Meeting of Stockholders**  
**May 5, 2016**

---

**SOLICITATION OF PROXIES**

The accompanying proxy is solicited by the Board of Directors of Mueller Industries, Inc., a Delaware corporation (the “Company”), for use at the annual meeting of stockholders (the “Annual Meeting”) to be held at the Company’s headquarters at 8285 Tournament Drive, Suite 150, Memphis, Tennessee 38125, on Thursday, May 5, 2016, at 10:00 A.M. local time, or at any adjournment(s) thereof.

This Proxy Statement, together with the Company’s Annual Report for the fiscal year ended December 26, 2015, is first being mailed to stockholders on or about March 24, 2016. Pursuant to rules adopted by the Securities and Exchange Commission, the Company is providing access to its proxy materials over the Internet at <http://www.proxyvote.com>.

When a proxy card is returned properly signed, the shares represented thereby will be voted in accordance with the stockholder’s directions appearing on the card. If the proxy card is signed and returned without directions, the shares will be voted for the nominees named herein and in accordance with the recommendations of the Company’s Board of Directors as set forth herein. The discretion granted in the accompanying proxy card includes the authority to vote on all additional matters properly coming before the Annual Meeting as the persons named in the proxy deem appropriate. A stockholder giving a proxy may revoke it at any time before it is voted at the Annual Meeting by giving written notice to the secretary of the Annual Meeting or by casting a ballot at the Annual Meeting. Votes cast by proxy or in person at the Annual Meeting will be tabulated by election inspectors appointed for the Annual Meeting. The election inspectors will also determine whether a quorum is present. The holders of a majority of the shares of common stock, \$.01 par value per share (“Common Stock”), outstanding and entitled to vote who are

[Table of Contents](#)

present either in person or represented by proxy will constitute a quorum for the Annual Meeting. The election inspectors will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum and for purposes of determining the approval of any matter submitted. If a broker indicates on a proxy that it does not have discretionary authority as to certain shares to vote on a particular matter (i.e., a “broker non-vote”), those shares will not be considered as present and entitled to vote with respect to that matter, but will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. A broker is entitled to vote shares held for a beneficial owner on routine matters, such as the ratification of the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm, without instructions from the beneficial owner of those shares; on the other hand, a broker may not be entitled to vote shares held for a beneficial owner on certain non-routine items, such as the election of directors and the advisory vote on the compensation of the Company’s named executive officers.

The cost of soliciting proxies will be borne by the Company. In addition to solicitation by mail, directors, officers and employees of the Company may solicit proxies by telephone or otherwise. The Company will reimburse brokers or other persons holding stock in their names or in the names of their nominees for their charges and expenses in forwarding proxies and proxy material to the beneficial owners of such stock.

**VOTING SECURITIES**

The Company had 57,184,669 shares of Common Stock outstanding at the close of business on March 11, 2016, which are the only securities of the Company entitled to be voted at the Annual Meeting. The record holder of each share of Common Stock is entitled to one vote on each matter that may properly be brought before the Annual Meeting. Only stockholders of record at the close of business on March 11, 2016 will be entitled to notice of, and to vote at, the Annual Meeting. The Company’s Restated Certificate of Incorporation and Amended and Restated Bylaws (“Bylaws”) do not provide for cumulative voting for the election of directors.

## **ELECTION OF DIRECTORS**

The Board of Directors proposes to elect the following seven persons, each as nominated by the Board of Directors, at the Annual Meeting to serve (subject to the Company’s Bylaws) as directors of the Company until the next Annual Meeting (tentatively scheduled for May 4, 2017), or until the election and qualification of their successors: Gregory L. Christopher, Paul J. Flaherty, Gennaro J. Fulvio, Gary S. Gladstein, Scott J. Goldman, John B. Hansen and Terry Hermanson (collectively, the “Nominees”). If any such person should be unwilling or unable to serve as a director of the Company, which is not anticipated, the persons named in the proxy will vote the proxy for substitute nominees selected by them unless the number of directors has been reduced to the number of nominees willing and able to serve.

Directors are elected by a plurality of the votes cast. “Plurality” means that the individuals who receive the greatest number of votes cast “For” are elected as directors up to the maximum number of directors to be chosen at the Annual Meeting. Consequently, any shares not voted “For” a particular director (whether as a result of a direction to withhold or a broker non-vote) will not be counted in such director’s favor.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE THEIR SHARES FOR EACH OF THE NOMINEES.**

## **Meetings and Committees of the Board of Directors**

During 2015, the Board of Directors held four regularly scheduled meetings and three special meetings. The Board of Directors established a standing Audit Committee and a Compensation and Stock Option Committee at its organizational meeting on February 13, 1991. On May 13, 1991, the Board of Directors created two committees (the “Plan Committees”) to be responsible for administering the Company’s 1991 Employee Stock Purchase Plan and the Company’s 1991 Incentive Stock Option Plan. On November 16, 1993, the Board of Directors established a standing Nominating Committee. On May 12, 1994, the Board of Directors created two committees to be responsible for administering the Company’s 1994 Stock

Option Plan and the Company's 1994 Non-Employee Director Stock Option Plan, on February 12, 1998 created a committee to be responsible for administering the Company's 1998 Stock Option Plan and on February 12, 2002 created a committee to be responsible for administering the Company's 2002 Stock Option Plan (collectively, the "Option Plan Committees"). On February 12, 2004, the Board of Directors changed the name of the Nominating Committee to the Nominating and Corporate Governance Committee.

The Audit Committee is currently composed of three directors who are not officers or employees of the Company: Gennaro J. Fulvio (Chairman), Gary S. Gladstein and Scott J. Goldman. Each member of the Audit Committee has been determined by the Board of Directors to meet the standards for independence required of audit committee members by the New York Stock Exchange (the "NYSE") and applicable SEC rules. For more information on the NYSE standards for independence, see "Corporate Governance-Director Independence" in this Proxy Statement. The Board of Directors has further determined that (i) all members of the Audit Committee are financially literate and (ii) Gary S. Gladstein and Gennaro J. Fulvio each possess accounting and related financial management expertise within the meaning of the listing standards of the NYSE, and are each audit committee financial experts within the meaning of applicable SEC rules. The Audit Committee (a) appoints the Company's independent accountants, (b) reviews and approves any major change in the Company's accounting policies, (c) reviews the scope and results of the independent audit, (d) reviews and considers the independence of the accountants, (e) reviews the effectiveness of the Company's internal audit procedures and personnel, (f) reviews the Company's policies and procedures for compliance with disclosure requirements concerning conflicts of interest and the prevention of unethical, questionable or illegal payments and (g) makes such reports and recommendations to the Board of Directors as it may deem appropriate. The Audit Committee held six formal meetings during the last fiscal year, all of which were attended by the Company's independent auditors. At such meetings, the Audit Committee discussed the scope and results of the annual audit and issues of accounting policy and internal controls.

The Compensation and Stock Option Committee is currently composed of three directors who are not officers or employees of the Company: Terry Hermanson (Chairman), Paul J. Flaherty and Scott J. Goldman. Each member of the Compensation and Stock Option Committee has been determined by the Board of Directors to meet the NYSE's standards for independence. of Directors' responsibilities relating to management organization, performance, compensation and succession and (ii) makes such recommendations to the Board of Directors as it deems appropriate. During fiscal year 2015, the Compensation and Stock Option Committee held five formal meetings.

The Nominating and Corporate Governance Committee is currently composed of three directors who are not officers or employees of the Company: Paul J. Flaherty (Chairman), Scott J. Goldman and Terry Hermanson. Each member of the Nominating and Corporate Governance Committee has been determined by the Board of Directors to meet the NYSE's standards for independence. The Nominating and Corporate Governance Committee is responsible for the recommendation to the Board of Directors of director nominees for election to the Board of Directors. In addition, the Nominating and Corporate Governance Committee is responsible for recommending committee assignments and responsibilities to the Board of Directors, overseeing the evaluation of Board of Directors and management effectiveness, developing and recommending to the Board of Directors corporate governance guidelines, and generally advising the Board of Directors on corporate governance and related matters. The Nominating and Corporate Governance Committee held two formal meetings during fiscal year 2015.

The Board of Directors has currently implemented a leadership structure in which Mr. Christopher serves as both Chief Executive Officer and Chairman of the Board. The Board has determined that having Mr. Christopher serve in this dual capacity is in the best interest of shareholders at this time. The Company believes that this structure currently allows ultimate leadership and accountability to reside in a single individual, who has both extensive knowledge of the Company's business and critical relationships with the Company's customer base.

In order to coordinate the activities of the independent and non-management members of the Board of Directors, and to liaise between such directors and the Chairman of the Board, the Company has currently designated Mr. Gladstein to serve as Lead Independent Director. The Lead Independent Director's responsibilities are set forth in a formal charter, which can be obtained free of charge from the Company's website at [www.muellerindustries.com](http://www.muellerindustries.com) or may be requested in print by any shareholder.

The Board of Directors is actively involved in oversight of risks that could affect the Company. The full Board of Directors has retained the responsibility for general oversight of risks, but the Audit Committee primarily oversees those risks that may directly or indirectly impact the Company's financial statements. The

Board of Directors receives reports directly from officers responsible for oversight of particular risks within the Company, as well as full reports by the chair of the Audit Committee regarding the Audit Committee's considerations and actions. The Board believes that through such open communication and access to information, it can sufficiently manage the risks facing the Company. The Board of Directors' administration of its risk oversight function has not affected the Board's leadership structure.

## **CORPORATE GOVERNANCE**

The Company operates within a comprehensive plan of corporate governance for the purpose of defining independence, assigning responsibilities, setting high standards of professional and personal conduct and assuring compliance with such responsibilities and standards. The Company regularly monitors developments in the area of corporate governance. In July 2002, Congress passed the Sarbanes-Oxley Act of 2002 ("Sarbanes-Oxley") which, among other things, established, or provided the basis for, a number of new corporate governance standards and disclosure requirements. In addition, following the passage of Sarbanes-Oxley, the NYSE adopted changes to its corporate governance and listing requirements.

### **Director Independence**

The standards relied upon by the Board of Directors in affirmatively determining whether a director is "independent," in compliance with the rules of the NYSE, are comprised, in part, of those objective standards set forth in the NYSE rules.

The Board of Directors, in applying the NYSE standards for independence, and after considering all of the relevant facts and circumstances, has affirmatively determined that the Company's current "independent" directors are: Paul J. Flaherty, Gennaro J. Fulvio, Gary S. Gladstein, Scott J. Goldman and Terry Hermanson. In the course of the Board of Director's determination regarding the independence of each non-management director (except for Mr. Hansen who the Company has determined is not independent under NYSE rules), the Board considered for:

- Mr. Flaherty, the fact that the Company has utilized certain services of Aon and its affiliates, but recognizing the arms' length nature of such transactions, the absence of any managerial role or specific pecuniary interest of Mr. Flaherty in such matters, and the de minimis percentage such transactions represented in respect of the annual revenues and assets of each of those companies.

### **Meetings of Non-Management Directors**

- The Company's Corporate Governance Guidelines provide that the Company's non-management directors shall hold annually at least two formal meetings independent from management. The non-management directors will choose a non-management director, as appropriate, to preside at these executive sessions of the Board of Directors.

### **Audit Committee**

- In accordance with the rules and regulations of the SEC, the above paragraph regarding the independence of the members of the Audit Committee shall not be deemed to be "soliciting material" or to be "filed" with the SEC or subject to Regulation 14A or 14C of the Exchange Act or to the liabilities of Section 18 of the Exchange Act and shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, notwithstanding any general incorporation by reference of this Proxy Statement into any other filed document.
- Ernst & Young LLP, the Company's independent auditors, reports directly to the Audit Committee.
- The Audit Committee, consistent with the Sarbanes-Oxley Act of 2002 and the rules adopted thereunder, meets with management and the Company's independent auditors prior to the filing of officers' certifications with the SEC to receive information concerning, among other things, significant deficiencies in the design or operation of internal control over financial reporting.
- The Audit Committee has adopted procedures for the receipt, retention and treatment of complaints by Company employees regarding the Company's accounting, internal accounting controls or auditing matters.
- The Audit Committee operates under a formal charter adopted by the Board of Directors that governs its duties and standards of performance. Copies of the charter can be obtained free of charge from the Company's website at [www.muellerindustries.com](http://www.muellerindustries.com) or may be requested in print by any shareholder.

### *Compensation Advisor*

In August of 2014, we retained Frederic W. Cook & Co., Inc. ("Cook & Co.") to conduct a market analysis to assess the competitive pay positioning of the Company's senior management team, including our named executive officers. In particular, the material elements of this engagement included the development of a peer group for the Company, a competitive review of compensation levels for our Chief Executive Officer and other members of our senior management team, including a pay for performance analysis, and to analyze the effectiveness of the Company's compensatory retention incentives. The Compensation and Stock Option Committee was presented with Cook & Co.'s report in November 2014, when it was completed. On February 3, 2015, the Compensation and Stock Option Committee established performance criteria for the year 2015. The Compensation and Stock Option Committee utilized the report by Cook & Co. solely to obtain a general understanding of compensation practices within the industry and did not base any of its compensation decisions on recommendations contained in this report, nor did it otherwise utilize this report to benchmark executive compensation (or any component thereof) against any particular peer group.

In 2015, our Chief Executive Officer, at the request of the Compensation and Stock Option Committee, retained Cook & Co. to review our non-employee director compensation program and to conduct a market analysis to assess the competitive pay positioning of the Company's non-employee directors. The Compensation and Stock Option Committee was presented with Cook & Co.'s report in November 2015 and utilized the report by Cook & Co. to obtain a general understanding of compensation practices within the industry and to base its non-employee director compensation decisions on recommendations contained in this report. The Compensation and Stock Option Committee approved certain increases to our non-employee director compensation effective December 27, 2015, based in part on Cook & Co.'s findings.

Cook & Co. provided certain additional advisory services to the Company during 2015, and the Company believes the services provided by Cook & Co. do not raise any conflicts of interest.

### **Nominating and Corporate Governance Committee**

- The Nominating and Corporate Governance Committee recommends to the Board of Directors as director nominees individuals of established personal and professional integrity, ability and judgment, and who are chosen with the primary goal of ensuring that the entire Board of Directors collectively serves the interests of the Company's stockholders. Due consideration is given to assessing the qualifications of potential nominees and any potential conflicts with the Company's interests. The Nominating and Corporate Governance Committee also assesses the contributions of the Company's incumbent directors in connection with their potential re-nomination. In identifying and recommending director nominees, the Committee members take into account such factors as they determine appropriate, including recommendations made by the Board of Directors.
- Under its charter, the Nominating and Corporate Governance Committee considers whether the viewpoint, professional experience, education, skill and other individual qualities and attributes of any potential nominee would contribute to the diversity of the Board as a whole. The diversity of the Company's Board and employees is a tremendous asset. The Committee and Company are firmly committed to providing equal opportunity in all aspects of the Board nomination process and employment. The Committee will not exclude any potential Board nominee from consideration based on age, gender, race, color of skin, ethnic origin, political affiliation, religious preference, sexual orientation, country of origin, physical handicaps or any other category.

The Nominating and Corporate Governance Committee considers and assesses the implementation and effectiveness of its diversity policy in connection with Board nominations annually to assure that the Board contains an effective mix of individuals to best advance the Company's long-term business interests.

- Once the Nominating and Corporate Governance Committee has identified prospective nominees, background information is elicited about the candidates, after which they are investigated, interviewed and evaluated by the Committee which then reports to the Board of Directors.

## Table of Contents

- The Nominating and Corporate Governance Committee operates under a formal charter adopted by the Board of Directors that governs its duties and standards of performance. Copies of the charter can be obtained free of charge from the Company's website at [www.muellerindustries.com](http://www.muellerindustries.com) or may be requested in print by any shareholder.

The Nominating and Corporate Governance Committee does not consider individuals nominated by stockholders for election to the Board. The Board believes that this is an appropriate policy because the Company's Bylaws allow a qualifying stockholder to nominate an individual for election to the Board, which proposal can be brought directly before a meeting of stockholders, as described below. In order for a qualifying stockholder to nominate an individual to the Board, written notice of such stockholder's intent to make such nomination must be received by the Secretary of the Company at the Company's principal place of business (8285 Tournament Drive, Suite 150, Memphis, Tennessee 38125) not less than 120 days and not more than (i) with respect to an election to be held at an annual meeting of stockholders, 150 days prior to the anniversary date of the immediately preceding annual meeting (unless the annual meeting date is advanced by more than thirty days or delayed by more than thirty days, in which case different deadlines apply) and (ii) with respect to an election to be held at a special meeting of stockholders for the election of directors, not earlier than 90 days prior to the special meeting and not later than the later of (a) 60 days prior to such special meeting or (b) the tenth day following the day on which public announcement is first made of the date of the special meeting, provided that in the event that the number of directors to be elected to the Board is increased and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board made by the Company at least 70 days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it is delivered to the Secretary of the Company not later than the tenth day following the day on which such public announcement is first made by the Company. To be a qualifying stockholder, the stockholder must be a stockholder of record at the time the notice was delivered to the Secretary of the Company. Each such notice shall set forth: (a) as to each person whom the stockholder proposes to nominate for election or reelection as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A (or successor provisions) under

the Exchange Act, including such person's written consent to be named in the proxy statement as a nominee and to serve as a director if elected; (b) as to any other business that the stockholder desires to be brought before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (c) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such stockholder, as they appear on the Company's books, and of such beneficial owner and (ii) the class and number of shares of Common Stock which are owned beneficially and of record by such stockholder and such beneficial owner. The presiding officer of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure. See "Stockholder Nominations for Board Membership and Other Proposals for 2016 Annual Meeting."

In addition, no member of the Compensation and Stock Option Committee, during fiscal year 2015, had any relationship requiring disclosure by the Company as a related party transaction under Item 404 of Regulation S-K. No executive officer of the Company served on any board of directors or compensation committee of any other company for which any of the Company's directors served as an executive officer at any time during fiscal year 2015.

### **Policies and Procedures for Approval of Related Party Transactions**

Related party transactions may present potential or actual conflicts of interest and create the appearance that Company decisions are based on considerations other than the best interests of the Company and its shareholders. Management carefully reviews all proposed related party transactions (if any), other than routine banking transactions, to determine if the transaction is on terms comparable to terms that could be obtained in an arms-length transaction with an unrelated third party. Management reports to the Audit Committee and then to the Board of Directors on all proposed material related party transactions. Upon the presentation of a proposed related party transaction to the Audit Committee or the Board, the related party is excused from participation in discussion and voting on the matter.

### **Directors' Attendance at Annual Meetings of Stockholders**

It is the policy of the Company's Board of Directors to expect that all directors attend annual meetings of stockholders except where the failure to attend is due to unavoidable circumstances or conflicts discussed in advance with the Chairman of the Board. All members of the Board of Directors attended the Company's 2015 Annual Meeting of Stockholders.

### **Communication With the Board of Directors**

Any stockholder or interested party who wishes to communicate with the Board of Directors, or specific individual directors, including the non-management directors as a group, may do so by directing a written request addressed to such directors or director in care of the Chairman of the Nominating and Corporate Governance Committee, Mueller Industries, Inc., 8285 Tournament Drive, Suite 150, Memphis, Tennessee 38125. Communication(s) directed to members of the Board who are not non-management directors will be relayed to the intended Board member(s) except to the extent that it is deemed unnecessary or inappropriate to do so pursuant to the procedures established by a majority of the independent directors. Communications directed to non-management directors will be relayed to the intended Board member(s) except to the extent that doing so would be contrary to the instructions of the non-management directors. Any communication so withheld will nevertheless be made available to any non-management director who wishes to review it.

## **COMPENSATION DISCUSSION AND ANALYSIS**

### **Executive Summary**

This Compensation Discussion and Analysis provides an overview of how our named executive officers were compensated in 2015, as well as how this compensation furthers our established compensation philosophy and objectives.

We believe in a pay for performance philosophy, such that a material portion of a named executive officer's compensation is dependent upon both the short-term and long-term strategic and financial performance of the Company, considered in light of general economic and specific Company, industry, and competitive conditions.

## [Table of Contents](#)

For 2015, we continued to reward named executive officers in a manner consistent with this philosophy by setting annual incentive targets based on the Company's achievement of a certain level of operating income. For the long-term component of compensation, we continued to grant equity awards, such that any long-term compensation opportunity will be directly tied to our stock performance.

New housing starts and commercial construction are important determinants of the Company's sales to the HVAC, refrigeration and plumbing markets because the principal end use of a significant portion of our products is in the construction of single and multi-family housing and commercial buildings. Repairs and remodeling projects are also important drivers of underlying demand for these products. Residential construction activity has shown improvement in recent years, but remains at levels below long-term historical averages. Continued improvement is expected, but may be tempered by continuing low labor participation rates, the pace of household formulations, higher interest rates, and tighter lending standards. Per the U.S. Census Bureau, actual housing starts in the U.S. were 1.1 million in 2015, which compares to 1.0 million in 2014 and 925,000 in 2013. Mortgage rates remain at historically low levels, as the average 30-year fixed mortgage rate was approximately 3.85 percent in 2015 and 4.17 percent in 2014. The private nonresidential construction sector, which includes offices, industrial, health care and retail projects, began showing improvement in 2015, 2014, and 2013 after declines in previous years. Per the U.S. Census Bureau, the actual (not seasonally adjusted) value of private nonresidential construction put in place was \$389.3 billion in 2015, \$347.7 billion in 2014, and \$312.3 billion in 2013. We expect that most of these conditions will continue to improve. For 2015, the Company's operating income, excluding certain one-time items, decreased from \$155.0 million in 2014 to \$125.3 million in 2015, or approximately 19.2%. In 2015, operating income did not meet incentive targets for most of our businesses. Accordingly, as compared to 2014, non-equity incentive compensation decreased for our named executive officers in 2015.

### **Compensation Policies and Objectives**

In light of our pay for performance philosophy, we have designed our compensation programs for our executive officers to (i) motivate our executive officers to achieve certain strategic and financial goals and reward them for achieving

[Table of Contents](#)

such goals, (ii) align the long-term financial interests of our executive officers with those of our stockholders, (iii) encourage our executive officers to continue their service with the Company, and (iv) provide a means to attract additional talented executive officers when necessary.

**Determination of Compensation**

For 2015, compensation for our Chief Executive Officer was determined by our Compensation and Stock Option Committee. For 2015, compensation decisions for our other named executive officers were made by our Compensation and Stock Option Committee after consideration of the recommendations of our Chief Executive Officer. Our Compensation and Stock Option Committee meets at least annually to determine all elements of our named executive officers' compensation, including base salary, annual incentive compensation, and long-term equity awards. Each element of compensation plays an important role in our compensation program, and we make compensation decisions regarding each element in the context of total compensation with a view to the aggregate value and effect of all other elements.

In determining the levels of compensation, including the amount of base salary increases from year to year, if any, the target levels of the annual cash incentives and the amounts payable thereby at the end of each year, and the number and type of equity awards to be awarded, we generally do not rely on formulaic guidelines but rather maintain a flexible compensation program that allows us to adapt components and levels of compensation to motivate and reward individual executives within the context of our desire to attain certain strategic and financial goals and control cost. This requires that we consider subjective factors including (i) an executive officer's performance against corporate objectives in recent years, (ii) the value of the executive officer's skills and capabilities in supporting the long-term performance of the Company, (iii) performance of each executive officer's specific management responsibilities, (iv) each executive officer's contribution as a member of the executive management team, and (v) whether each executive officer's total compensation potential and structure is sufficient to ensure the retention of the executive officer when considering the compensation potential that may be available elsewhere. As such, we make reasoned subjective determinations about compensation levels.

In making compensation decisions, our Compensation and Stock Option Committee relies on the members' general knowledge of our industry, supplemented by advice from our Chief Executive Officer based on his knowledge of our industry in markets in which we participate. From time to time, we conduct informal analyses of compensation practices and our Compensation and Stock Option Committee may review broad-based third-party surveys to obtain a general understanding of current compensation practices. For 2015, the Compensation and Stock Option Committee established the performance criteria for the year on February 3, 2015 after having been presented with Cook & Co.'s report in November 2014, when the report was completed. The Compensation and Stock Option Committee utilized the report solely to obtain a general understanding of compensation practices within the industry and did not base any of its compensation decisions on recommendations contained in this report, nor did it otherwise utilize this report to benchmark executive compensation (or any component thereof) against any particular peer group.

At our 2015 Annual Meeting, we held our fourth annual non-binding stockholder advisory vote on executive compensation. Over 94% of shares voted (excluding abstentions and broker non-votes) were in favor of the compensation of our named executive officers as disclosed in the proxy statement for the 2015 Annual Meeting. The Compensation and Stock Option Committee believes that the vote confirms its view that the Company's compensation programs are centered on a pay for performance philosophy and are appropriate and effective in creating value. Accordingly, the Compensation and Stock Option Committee made no direct changes to the Company's executive compensation program as a result of the vote. Our Compensation and Stock Option Committee will consider the outcome of this year's stockholder advisory vote on executive compensation as it makes future compensation decisions.

### **Elements of Compensation**

Our compensation program for our named executive officers is composed of six elements: (i) base salary, (ii) traditional benefits, (iii) annual incentive compensation, (iv) long-term equity incentive compensation, (v) perquisites, and (vi) for our Chief Executive Officer, post-employment and change-in-control compensation. Each element of compensation plays an important part in our overall compensation policies and objectives.

## Table of Contents

### *Base Salary and Traditional Benefits*

We provide base salary and traditional benefits such as group health, disability, and life insurance benefits, as well as matching contributions to our 401(k) plan, as a means of providing a base level of compensation for services performed, to encourage the continued service of our executive officers and to attract additional talented executive officers when necessary. Salaries paid to our named executive officers are set forth in the Summary Compensation Table for 2015. Base salary adjustments are determined by making reasoned subjective determinations about current economic conditions such as general wage inflation as well as the executive's qualifications, experience, responsibilities, and past performance. For 2015, Mr. Martin's base salary was increased 7.5% effective March 23, 2015, and 6.8% effective November 30, 2015, and Mr. Murdock's base salary was increased 2.4%, effective March 23, 2015. The Compensation and Stock Option Committee granted these increases in base salary resulting from the officers' positive impact on the Company's performance.

For 2016, the Compensation and Stock Option Committee increased Mr. Christopher's base salary to \$1,100,000 effective December 27, 2015. The Compensation and Stock Option Committee determined it was appropriate to increase Mr. Christopher's base salary to compensate him for the additional duties and responsibilities Mr. Christopher assumed in connection with Mr. Christopher's appointment to the role of Chairman of the Board.

### *Annual Incentive Compensation*

Each of our named executive officers received annual incentive compensation in 2015, based upon the Company's actual performance for 2015 relative to the performance targets (as described below) established by the Compensation and Stock Option Committee on February 3, 2015. The Compensation Committee's intent was for the incentive compensation payable to Messrs. Christopher, Moss, Murdock and Sigloch to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code, with awards being made under the Company's 2011 Annual Bonus Plan.

For 2015, the amount of incentive compensation payable to each of our named executive officers was determined by multiplying (i) the named executive officer's actual base salary paid during 2015, (ii) the named executive officer's incentive grade level factor (125% for Mr. Christopher, and 90% for each other named

[Table of Contents](#)

executive officer), and (iii) the named executive officer’s performance factor. The performance factor applicable to Messrs. Christopher and Martin was determined based on the achievement level of the consolidated Company adjusted operating income target, while the performance factor applicable to each of Messrs. Moss, Murdock and Sigloch represents the weighted average achievement level of the consolidated Company adjusted operating income target, as well as the individual business line targets applicable to each such named executive officer, as shown in the following table:

<b>Name</b>	<b>Performance Criteria</b>	<b>Performance Target</b>	<b>Weighting</b>	<b>Achievement Level(4)</b>	<b>2015 Performance Factor</b>
Gregory L. Christopher	Consolidated Company Adjusted Operating Income	\$147.1 million	100%	100%	100%
Jeffrey A. Martin	Consolidated Company Adjusted Operating Income	\$147.1 million	100%	100%	100%
Nicholas W. Moss(1)	Consolidated Company Adjusted Operating Income	\$147.1 million	80%	100%	80%
	Business Line Adjusted Operating Income	\$22.25 million	14%	85%	11.9%
Douglas J. Murdock(2)	Consolidated Company Adjusted Operating Income	\$147.1 million	80%	100%	80%
	Business Line Adjusted Operating Income	\$11.9 million	20%	97%	19.4%
Steffen Sigloch(3)	Consolidated Company Adjusted Operating Income	\$147.1 million	80%	100%	80%
	Business Line Adjusted Operating Income	\$108.5 million	20%	75%	15%

(1) For Mr. Moss, B&K LLC & Mexico was the applicable business line. In addition to the adjusted operating income target described above, 6% of Mr. Moss’s annual incentive compensation was determined based on 47% achievement of a sales volume target of 2% growth over 2014 sales volumes for the B&K LLC & Mexico business line.

## Table of Contents

- (2) For Mr. Murdock, the Refrigeration Products Division, Westermeyer Industries and Fabricated Tube Products were the applicable business lines, and the total performance target was \$11.9 million of adjusted operating income. The business line achievement level shown above represents the average achievement level realized across the three applicable business lines.
- (3) For Mr. Sigloch, Brass Rod, Copper Tube, Forgings and Precision Tube were the applicable business lines, and the total performance target was \$108.5 of adjusted operating income. The business line achievement level shown above represents the average achievement level realized across the four applicable business lines.
- (4) To ensure an alignment between pay and performance, bonus amounts would not have been paid in any case where the achievement level of the operating income performance target applicable to the bonus amount was less than 80%.

As a result of 2015 performance, the annual incentive payments for the named executive officers, which are set forth in the Summary Compensation Table for 2015, equal the following percentages of each named executive officer's actual base salary paid during 2015: 125% for Mr. Christopher (125% grade level factor times a 100% performance factor), 90% for Mr. Martin (90% grade level factor times a 100% performance factor), 85.3% for Mr. Moss (90% grade level factor times a 94.8% weighted-average performance factor), 89.4% for Mr. Murdock (90% grade level factor times a 99.4% weighted-average performance factor), and 85.5% for Mr. Sigloch (90% grade level factor times a 95% weighted-average performance factor).

In 2015, in addition to receiving annual incentive compensation, Messrs. Moss and Sigloch received discretionary incentive compensation awards of \$50,000 each. The discretionary awards were paid in recognition of their outstanding service to the Company and leadership.

### *Long-Term Equity Incentive Program*

Our long-term equity incentive compensation rewards our named executive officers for achievement of our long-term financial success as measured by our stock price. As such, it aligns the financial interests of our named executive officers with our stockholders and rewards our named executive officers for increased stockholder value. Historically, we have granted restricted stock to our named executive officers, as discussed below. Generally, our equity incentive awards have been granted subject to three- or five-year vesting schedules, which we believe

[Table of Contents](#)

rewards outstanding service by our named executive officers and provides us with an effective mechanism to incentivize our named executive officers to achieve long-term financial success for the Company, to provide a strong retention incentive, and to align the interests of our named executive officers with the long-term interest of our shareholders.

Long-term equity incentive awards to our named executive officers, other than our Chief Executive Officer, are typically granted annually by our Compensation and Stock Option Committee based on the recommendations of our Chief Executive Officer. Long-term equity incentive awards to our Chief Executive Officer are granted annually based on the determinations of our Compensation and Stock Option Committee. In recent years, it has been the Company's practice to issue long-term equity incentive awards to certain executives and other employees in late July following release of the Company's second quarter and six-month operating results. In 2015, consistent with our historical practices, the named executive officers received annual grants in July 2015. In view of our stock's performance during the economic recession, the Compensation and Stock Option Committee concluded that restricted stock provided a better method to retain and reward our executives. In determining which named executive officers should receive restricted stock awards during 2015, and the size of these awards, our Compensation and Stock Option Committee made reasoned subjective determinations based upon the performance of the named executive officers, the importance of retaining their services, and their role in helping us work toward our long-term goals. There was no set formula for the granting of annual restricted stock awards to individual named executive officers. In 2015, we granted shares of restricted stock to our named executive officers covering an aggregate of 152,000 shares. Of the shares of restricted stock granted to Mr. Christopher in 2015, 30% will vest on each of the third and fourth anniversaries of the vesting commencement date (July 30, 2015), and 40% will vest on the fifth anniversary of the vesting commencement date, subject to earlier vesting in connection with a change in control or a termination of employment due to death, disability, by us without cause or by Mr. Christopher for good reason. Shares of restricted stock granted to our named executive officers (other than Mr. Christopher) in July 2015 will vest (i) with respect to a portion of the awards (44% of Mr. Martin's grant, 36% of Mr. Murdock's grant and 36% of Mr. Sigloch's grant), 100% on December 31, 2021, and (ii) with respect to the remaining portion

## Table of Contents

of the awards (56% of Mr. Martin's grant, 100% of Mr. Moss's grant, 64% of Mr. Murdock's grant and 64% of Mr. Sigloch's grant), 30% on each of the third and fourth anniversaries of the vesting commencement date (July 30, 2015), and 40% on the fifth anniversary of the vesting commencement date, subject in each case to earlier vesting in connection with a change in control or a termination of employment due to death or disability. The Compensation and Stock Option Committee elected to use a long-term vesting schedule with respect to certain of the awards granted to the named executive officers in 2015 to promote retention. In addition, given the importance of long-term equity incentive awards in our compensation program, the Compensation and Stock Option Committee believed that it was appropriate to provide for accelerated vesting to compensate our executive officers for their contributions to the Company and to provide them with assurance that they will not be disadvantaged with respect to their equity awards in the event of a change in control or an involuntary termination of employment.

### *Perquisites*

We offer certain perquisites to our named executive officers, which we view as an added element of our executive compensation program designed to attract, retain and reward our named executive officers. The perquisites we provided in fiscal 2015 were as follows: estate and tax planning, certain club memberships, Company incentive trips, personal use of our Company airplane, and reimbursement of the income tax liabilities associated with certain perquisites. Estate and tax planning is provided to certain named executive officers to complement our various compensation elements for the purpose of ensuring the named executive officers understand the complexity of the long-term equity incentives and are thereby able to maximize the value of such benefits. We provide certain club memberships in part to facilitate networking with and entertainment of our business clients. Because of the nature of such memberships, our named executive officers gain some personal benefits. We offer Company incentive trips to reward top achievers in our organization. We maintain a Company-owned airplane primarily to provide efficient transportation to certain employees and customers for business travel. From time to time, when our plane is not being used for business purposes, we allow certain named executive officers to use the plane for personal travel.

### *Post-Employment and Change-in-Control Compensation*

We are party to an employment agreement with Mr. Christopher. When entered into, this agreement was thought to be in line with market practice and enabled us to be competitive and retain top talent. As discussed below under the heading “Narrative Disclosure to Summary Compensation Table and Grant of Plan Based Awards Table - Employment Agreement,” the agreement provides that our Chief Executive Officer will be entitled to receive certain severance payments and benefits upon a resignation for “good reason,” a termination without “cause” (as each is defined in the employment agreement), or upon a resignation in connection with a “change in control” (as defined in the employment agreement). We provide this ability to resign following a change in control as an added incentive and reward for Mr. Christopher to remain employed through the consummation of the change in control and to ensure the completion of such event which should ultimately deliver value to our stockholders. Mr. Christopher’s employment agreement had previously provided for a gross-up payment to cover excise taxes imposed by the “golden parachute” regulations under Sections 280G and 4999 of the Internal Revenue Code of 1986, as amended, however, on February 14, 2013, the Company and Mr. Christopher executed an amendment to Mr. Christopher’s employment agreement, at the request of Mr. Christopher and without any additional consideration, which eliminated the gross-up provisions from his employment agreement. Our employment agreement with Mr. Christopher also provides us with a certain level of protection against competition and solicitation of customers and employees if his employment is terminated. These restrictive covenants exist to protect our business, as Mr. Christopher has longstanding relationships with a number of our customers.

### **Tax Considerations**

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1,000,000 paid to each of the chief executive officer and the three other highest-paid executive officers (other than the chief financial officer) employed at the end of that company’s fiscal year. Qualifying “performance-based compensation” is not subject to this deduction limitation if certain requirements are met. In May 2011, our stockholders at our Annual Meeting approved the Mueller Industries, Inc. 2011 Annual Bonus Plan, in May 2009, our stockholders at our Annual Meeting approved the 2009 Stock Incentive Plan, and in May 2014, our stockholders at our Annual Meeting approved the 2014 Incentive Plan. Compensation paid under these plans will

[Table of Contents](#)

qualify as performance-based compensation and thus will be fully deductible by us. We periodically review the potential consequences of Section 162(m) with respect to compensatory elements. In the future, we may authorize other compensation payments to our named executive officers that do not comply with the exemptions in Section 162(m) if we judge that such payments are appropriate and in the best interests of the stockholders, after taking into consideration changing business conditions and/or any specific executive's particular circumstances. This is consistent with our general compensation policy to remain flexible in order to address business and/or financial challenges as they present themselves.

**Compensation Risk Management**

In establishing compensation programs for the Company's executive officers and non-executive employees, the Compensation and Stock Option Committee and senior management of the Company, respectively, consider the potential effect(s) of such programs on the Company, as well as whether such programs create appropriate incentives. The only component of employee compensation that might pose a risk of having an adverse effect is annual cash incentive compensation, which is intended to incentivize our employees to achieve short-term financial performance objectives, and ties a portion of an employee's compensation to the achievement of such objectives. While annual cash incentive compensation encourages risk taking on the part of the Company's employees in their efforts to achieve these objectives, the Company believes that the risk is well managed and the level of risk is acceptable. Moreover, certain senior management members have a substantial portion of their compensation in the form of equity awards that are long-term in nature. We believe this counter balances any motivation to unduly favor excessive short-term risk taking. We also believe that the applicable performance objectives create appropriate incentives for our employees from year-to-year. Risk is further reduced by the fact that annual cash incentives are awarded on a discretionary basis; any known excessive risk taking could result in a reduction or elimination of the annual payment. Furthermore, our Chief Executive Officer and Chief Financial Officer are subject to clawback provisions under the Sarbanes-Oxley Act of 2002.

For these reasons we believe that our compensation policies and practices are not likely to have a material adverse effect on the Company.

**Narrative Disclosure to Summary Compensation Table and Grant of Plan Based Awards Table**

*Employment Agreement with Mr. Christopher*

We are party to an amended and restated employment agreement with Gregory L. Christopher, our Chief Executive Officer, dated October 30, 2008, as amended on February 14, 2013. The agreement contains a rolling three-year term, which is automatically extended so that the unexpired term on any date is always three years, unless either party gives written notice of his or its intention not to extend the term. The agreement entitles Mr. Christopher to an annual base salary of \$600,000 (to be adjusted upward annually at a rate commensurate with increases granted to other key executives) and discretionary cash incentive compensation in an amount consistent with the executive incentive compensation program which the Company establishes for other key executives. In addition, Mr. Christopher is entitled to receive reimbursement for reasonable business and travel expenses incurred in the performance of his duties and will participate in all bonus, incentive, stock option, pension, disability and health plans and programs and all fringe benefit plans maintained by the Company in which senior executives participate. Mr. Christopher's employment may be terminated by the Company without cause or by Mr. Christopher for good reason upon appropriate written notice. In either such event, Mr. Christopher will continue to receive his then-current base salary as if his employment had continued for the remainder of the then-current term and annual incentive compensation for the remainder of the then-current term equal to the average incentive compensation for the three calendar years immediately preceding the written notice of termination. In addition, all outstanding unvested Company stock options then held by Mr. Christopher will immediately vest and become exercisable and Mr. Christopher will continue to participate in our health plans and programs at his expense until he reaches age 65. In addition, we will pay Mr. Christopher an amount equal to the monthly cost of continuation coverage under COBRA until he reaches age 65.

Mr. Christopher's employment may be terminated by the Company for cause or by Mr. Christopher without good reason upon appropriate written notice.

In either such event, Mr. Christopher will only be entitled to receive accrued but unpaid base salary and, only if Mr. Christopher resigns and at the Company's discretion, a bonus or incentive compensation for the calendar year in which his

## Table of Contents

resignation occurs, and any other compensation and benefits to which Mr. Christopher would otherwise be entitled under the agreement will be forfeited as of the date of termination. Mr. Christopher may resign his employment for any reason following a change in control. In such event, the Company will pay to Mr. Christopher a lump sum amount equal to (i) his then-current base salary multiplied by the number of full and partial years remaining in the term of employment and (ii) his average annual incentive compensation for the three calendar years immediately preceding the date of termination multiplied by the number of full and partial years remaining in the term of employment. In addition, Mr. Christopher will continue to participate in our health plans and programs at our expense until he reaches age 65, and all outstanding unvested stock options then held by Mr. Christopher shall become immediately exercisable.

Mr. Christopher's employment agreement also subjects him to non-competition and non-solicitation covenants during the term of employment and ending on the 12-month anniversary following any termination of employment. Generally, the non-competition covenant prevents Mr. Christopher from engaging in activities that are competitive with the business of the Company in any geographic area in which the Company does business and the non-solicitation covenant prevents Mr. Christopher from soliciting or hiring any person who was a full-time employee of the Company during the 24-month period preceding the termination of his employment. Mr. Christopher's employment agreement also contains standard confidentiality provisions.

Director compliance with the stock ownership guidelines is monitored on an ongoing basis by the Company's General Counsel.

**REPORT OF THE AUDIT COMMITTEE  
OF THE BOARD OF DIRECTORS(1)**

The Audit Committee of the Board of Directors oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under Public Company Accounting Oversight Board's (PCAOB) Auditing Standard No. 16. In addition, the Audit Committee discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by Public Company Accounting Oversight Board's Rule 3526, and considered the compatibility of non-audit services provided by the independent auditors with the auditor's independence.

The Audit Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 26, 2015 for filing with the SEC. The Audit Committee and the Board has re-appointed, subject to shareholder approval, Ernst & Young LLP, independent auditors, to audit the consolidated financial statements of the Company for the fiscal year ending December 31, 2016.

The Audit Committee is governed by a formal charter which can be accessed from the Company's website at [www.muellerindustries.com](http://www.muellerindustries.com) or may be requested in print by any shareholder. The members of the Audit Committee are considered independent because they satisfy the independence requirements for Board members prescribed by the NYSE listing standards and Rule 10A-3 of the Exchange Act.

Further, even if the appointment is ratified by stockholder action, the Audit Committee may at any time in the future in its discretion reconsider the appointment without submitting the matter to a vote of stockholders. It is expected that representatives of EY will be in attendance at the Annual Meeting and will be available to answer questions and to make a statement if they desire to do so.

The following table sets forth fees for professional services rendered by EY for the audit of the Company’s annual financial statements for each of the two fiscal years ended December 26, 2015 and December 27, 2014 and fees for other services rendered by EY during those periods:

	<b>2015</b>	<b>2014</b>

Audit Fees also include fees for professional services rendered for the audits of internal control over financial reporting in 2015 and 2014.

Audit-Related Fees include fees billed for assurance and other services not included in audit fees. The fees for 2015 and 2014 were for international accounting and reporting compliance.

Tax Fees include fees billed for tax compliance, tax advice and tax planning matters.

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services. The Audit Committee has delegated pre-approval authority to its Chairman when expedition of services is necessary. The independent auditors and management are required periodically to report to the full Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. All of the services provided by the independent auditors during fiscal years 2015 and 2014, respectively, under the categories Audit Fees, Audit-Related Fees, Tax Fees and All Other Fees described above were pre-approved.

2017. A copy of the applicable provisions of the Bylaws may be obtained by any stockholder, without charge, upon written request to the Secretary of the Company at the address set forth below.

In addition to the foregoing, and in accordance with the rules of the SEC, in order for a stockholder proposal, relating to a proper subject, to be considered for inclusion in the Company's proxy statement and form of proxy relating to the Annual Meeting to be held in 2017, such proposal must be received by the Secretary of the Company by November 24, 2016 in the form required under and subject to the other requirements of the applicable rules of the SEC. If the date of the Annual Meeting to be held in 2017 is changed to a date more than 30 days earlier or later than May 4, 2017, the Company will inform the stockholders in a timely fashion of such change and the date by which proposals of stockholders must be received for inclusion in the proxy materials. Any such proposal should be submitted by certified mail, return receipt requested, or other means, including electronic means, that allow the stockholder to prove the date of delivery.

**OTHER MATTERS TO COME BEFORE THE ANNUAL MEETING**

If any matter not described herein should properly come before the Annual Meeting, the persons named in the proxy will vote the shares represented by them as they deem appropriate. At the date of this Proxy Statement, the Company knew of no other matters which might be presented for stockholder action at the Annual Meeting.
